

6th Street Playhouse Inaugural Matinee Performances for High School Students

The mission at 6th Street Playhouse is to create artistic and educational experiences that inspire, enrich, and entertain. To further this mission, we are excited to offer our first season of student matinees with a performance of *To Kill a Mockingbird!* The link between live theater and student success across all subjects, in terms of analytical thinking and testing is proven and significant, and we want to make that experience available to the students of Sonoma County. Please accept our offering for your students' enrichment.

To Kill a Mockingbird Adapted by Christopher Sergel from the novel by Harper Lee.

A timely reminder about moral courage!

Few perspectives on American society have been as perceptive, or as poignant, as those of a young girl in 1930s rural Alabama. As her father defends a black man framed for a crime he did not commit, she and her brother witness their community divided over issues of injustice and racism.

Total Run Time: 2 hr 15 minutes, including one 15 min intermission.

The performances will take place in our GK Hardt Theatre, 180 seats available.

The Study Guide is now available to download here: 6thstreetplayhouse.com/student-matinee

A Post Show discussion will be offered and will immediately follow the performance. This discussion will be facilitated by our dramaturge and will include some of the cast of *To Kill a Mockingbird*. Approximately 20 mins.
